

## **Monday, April 15th, 2024 Tech Rehearsal**

Students should arrive at the Temple Theater through the **back door entrance** a few minutes before the following times and may leave when their performance is finished. Students should wear normal practice clothes (NOT costumes). Students may stay to watch other classes, but please be respectful by keeping children seated and quiet if they stay to watch. We currently offer an open rehearsal where parents/guardians are able to remain in the theater. We would like to continue this, so we ask that everyone remain seated, be respectful, and quiet when dancers are on stage. This is the dancers ONLY opportunity to watch other classes, as they will not be able to during the dress rehearsal since we run this like the show. Thank you!

## **Wednesday, April 17th, 2024 Dress Rehearsal**

**The students in the Saturday show(s) will have dress rehearsal from  
4:00-6:00 pm**

**The students in the Sunday show(s) will have dress rehearsal from  
6:30-8:30 pm**

We are asking that **ONLY** parent(s) or guardian(s) come to the dress rehearsal. Extended family, siblings, and friends are requested to come to the recital on Saturday and/or Sunday.

Students should come dressed in the costume for their first performance. Please refer to the [Recital Accessory List](#) for details. If your child is in multiple classes, please check the [recital line up](#) on our website for the order of costume changes.

Upon arrival please go directly to your designated area. These are the areas dancers will be when they are not on stage.

Designated areas are: Pre-level students may enter through the back entrance and will be seated with a parent or guardian in the theater.

Intro, Intermediate, and Level 1 students will be in the Encore building next to the theater.

Level 2, 3, 4, 5, 6, and 7 students will be in the Masonic Lodge (above the Encore building).

Downstairs is for teachers, seniors, and dancers in 7 or more dances. We can't have traffic up and down between downstairs and the theater or a noisy downstairs area.

We ask that you stay in these designated areas while waiting to dance. We like to run dress rehearsals as close to the actual recitals as possible.

Dancers may leave when all of their dances have been performed.

A parent may take pictures and/or video at this rehearsal. All recitals will be professionally taped on Saturday and Sunday by Artistic Video productions.
