2019 SOLE EXPRESSIONS DANCE RECITAL PHOTOGRAPHY

Hazel Media is proud to return as Sole Expressions 2019 Exclusive Dance Recital Photographer!

We will be at each show, capturing your talented dancers striking their best poses. During intermission, and after each show, we will upload a preview of all the images captured. You may place an order on the spot or on-line via a private gallery

for Sole Expressions. We understand how much time and effort goes into each performance, so sit back, relax and enjoy watching your child's hard work without a phone obstructing your view!
