## Drop Form

If you choose to drop a class, this form will need to be completed and sent into the studio or handed to a dance instructor. Dropping a class involves several steps in our office and billing system. It also means that we have saved your spot in class since registration, and by doing so, we're not able to offer this spot in class to another dancer. For these reasons, there is a charge attached to dropping a class.

### **Dropping a class on or before October 7th**

On or before October 7th you may drop a class and be refunded for tuition (not registration fee) and will be charged a drop fee. You will be refunded for the classes you did not attend and will be taken off the monthly EFT withdrawal.

\_\_\_\_\_ I would like to drop a class. (Please include a \$25.00 drop fee)
